

# STEM CLUB

serving students in science, technology, engineering, & mathematics

## Why Choose STEM Club:

- Flexible schedule -Works with Honors Program as leadership related experiential learning with optional transcript credit.
- We hire both work-study students and non work-study students.
- Opportunity for \$1,200 scholarship (must apply separately).

## Other Details:

- Each support staff works at one of the 22 listed school sites, typically committing between eight and 20 hours each week on a set schedule, determined by availability, site needs, and desired scheduling.
- Additional time may be scheduled for developing activities and training.
- Classroom credit is available through Organizational Leadership and Supervision.
- Support staff will be included in the STEM Club Student Organization.
- Contact:  
The Stem Coordinators ([stemclub@iupui.edu](mailto:stemclub@iupui.edu))
